

# KidVID Cinema

Today you'll get to see a video about a girl named Analiz who plays a really surprising instrument. Discuss:

- ? What instruments do family members in your household play? How many different instruments?
- ? If you could play absolutely any instrument in the world, what would it be? You should not say it out loud.

Have everyone stand up. Say : When I count to three, silently play that instrument – you know, like air guitar. See if we can what each other is play? Ready? 1,2,3!

Play silent instruments for about a minute.

Today we are going to learn about a girl who has musical talent.

We are discovering that JESUS' POWER GIVES US HOPE. (Trust Jesus!) I'm curious to see what the story of Analiz has to do with hope. Let's watch and find out.

## Watch the video

Wow! I love this story! You know, music is an amazing thing. It can make us happy when we're feeling sad, it can calm us down when we're upset and it can literally change how we think and feel.

Jesus' power helped Analiz use her musical talent to bring hope to her grandmother. It's so amazing to me how Jesus puts people in our lives to comfort us and give us hope.

Ask:

- ? Who in your life bring you comfort and hope? What do they do?
- ? What's a talent you have – something you're good at – that could bring comfort and hope to someone?

Maybe you play an instrument like Analiz. Or maybe you're a good reader and could read a book to someone. Or maybe you're a good listener.

Think about ways that you as a family can use your talents to bring hope and comfort to others. Make a plan to do one of these.

There are many ways that we bring hope to others. And it is all possible because JESUS'S POWER GIVES US HOPE (Trust Jesus!) Today's Bible verse can help when we want to bring hope to someone. And it can help us when we're the ones who need hope. I'll show you what I mean.

## EXPLORE THE VERSE in KidVid Cinema:

Today's verse is a really powerful one! You can look at your Bible Buddy every day to remember that Jesus's Power Gives Us Hope!

Look up Psalm 31:24 in your Bible. You might have several different translations there so you can compare.

Psalm 31:24 says, "So be strong and courageous, all you who put your hope in the Lord." What a great verse! Jesus' power will help us be strong and courageous. But let me ask you...

Ask:

? What do you think it means to put your hope in the Lord?

To me, putting my hope in the Lord means trusting him completely. I know that whatever situation I'm in, Jesus is there with me. No matter what I'm going through. I know I can count on him to help me.

Ask:

? When is a time you need to put your hope in the Lord – a time you need Jesus to give you strength and courage? Maybe you get scared during storms. Or maybe you're facing a bully in your neighborhood. For me... (Share a personal example)  
It is good to talk about these things. It helps us know that we are not the only one who needs strength and courage from Jesus!  
We all need Jesus!

I love that Jesus' Power can give us strength and courage to bring hope to someone else, just like Analiz brought hope to her grandmother. And Jesus' power can help us when we're the ones who need hope. Remember, JESUS' POWER GIVES US HOPE! (Trust Jesus!) Let's thank Jesus for his power and hope.
