___ CRAFT: Potter Shard Frame

Pull out the materials that are provided for the Day 5 craft. Find any other "tools" they might need.

Create the Pottery Shard Frame using the materials provided. If you have taken pictures from your At-Home VBS, print one out and place it in the frame.

There are different colors of "pottery shard" and different shapes. The way that you place these on the frame won't be exactly like someone else will place them. Although everyone is different in one way or another, every person on earth has one thing in common. We all need a Savior. Today we will learn about someone who shares the Good News of Jesus Christ with a stranger that he encounters along a road. As believers in Jesus, we are to also share the good news with others.

___ BIBLE LESSON:

Tools: Bible

While Philip was preaching in Samaria, an angel of the Lord told him to go south to the road that goes to Gaza. Philip obeyed the angel. Philip saw a man traveling in a chariot. The man was reading a copy of the Isaiah scroll. Philip asked the man if he understood what he was reading. The man said he did not and that he needed someone to explain it to him. Philip explained the good news about Jesus to the man. The man believed what Philip told him and believed in Jesus. Philip baptized the man and the man went on his way rejoicing. (Isaiah 53:7-8; Acts 8:26-40)
