\_\_\_ CRAFT: Dig Site Water Pouch

Pull out the materials that are provided for the Day 3 craft. Find any other “tools” they might need.

Make the Dig Site Water pouch.

Go online and Google how wells are dug in other countries. Search to learn more about why water is important to life. Why is it important to have good clean water? (Living Waters international is a group that helps to provide clean water around the world)

Look in the scripture at John 7:37-39. With older children discuss how Jesus is our “living water”.

\_\_\_ BIBLE LESSON:

Tools: Bible

Jesus shared one last special supper with His disciples. During the meal Jesus explained that one of the disciples would betray Him. Jesus knew His betrayal and death would fulfill God’s plan. After the meal, Jesus and all the disciples except for Judas went to the garden in Gethsemane. While they were there, Judas brought the soldiers to arrest Jesus and take Him to the high priest to begin the trials the prophets

had written about many years before. Pilate, the Roman governor, tried to find a way to release Jesus, but the crowd shouted, "Crucify Him!" Jesus remained silent just as the prophecy said He would. Finally, Pilate gave in to the people's demands, and Jesus was handed over to the soldiers to be crucified. (Psalm 41:9; Isaiah 53:3, 7; John 13: John 18:1-19, 16)

\_\_\_\_ SNACK:

PICKS AND SHOVELS

Supplies: Nacho cheese; corn tortilla chips

Steps:

- Heat cheese in a microwavable container
- Pour over the tortilla chips

Kid Connection:

Discuss how archeologists dig carefully to excavate items from the dig site. What does it mean to excavate? Two tools that archeologists use to help learn the truth about the way people lived a long time ago are picks and shovels. The chips are like picks and shovels, digging out the "artifacts" (cheese)

\_\_\_\_ ACTIVITY:

NATURE HUNT

Go on a nature hunt. Collect items and then use these items to retell the Bible lesson.

HAMMER AND NAIL

- Gather some discarded wood, nails and a hammer or mallet. (Alternate for younger children: Styrofoam and golf tees)
- Allow your child to hammer the nails into the wood.

Discuss:

- Talk about how Jesus felt real pain as He was nailed to the cross.
- Remind your child that Jesus died on the cross for our sins even though He himself was sinless.

\_\_\_\_ CLOSING

- Worship again with "Dig It".
- Watch the video and worship to the song "You are My Life".
- Close with Prayer
